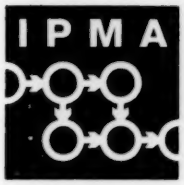
INTERNATIONAL JOURNAL OF
PROJECT MANAGEMENT



Index to Volume 22: 2004

Author

Alsakini, Wafa, Wikström, Kim and Kiiras, Juhani Proactive schedule management of industrial turnkey projects in developing countries 75
Armstrong, A see Wang, X
Arnaboldi, Michela, Azzone, Giovanni and Savoldelli, Alberto Managing a public sector project: the case of the Italian Treasury Ministry 213
Ashrafi, R see Hartman, F
Azzone, Giovanni see Arnaboldi, Michela
Badham, R see Garrety, K
Barber, E Benchmarking the management of projects: a review of current thinking 301
Bayliss, Roger, Cheung, Sai-On, Suen, Henry C H and Wong, Shek-Pui Effective partnering tools in construction: a case study on MTRC TKE contract 604 in Hong Kong 253
Belout, Adnane and Gauvreau, Clothilde Factors influencing project success: the impact of human resource management 1
Betts, Martin see de Lemos, Teresa
Boddy, David and Paton, Robert Responding to competing narratives: lessons for project managers 225
Busby, J S and Hughes, E J Projects, pathogens and incubation periods 425
Chang, P-L and Chen, K-L The influence of input factors on new leading product development projects in Taiwan 415
Chapman, C and Ward, S Why risk efficiency is a key aspect of best practice projects 619
Chen, P and Partington, D An interpretive comparison of Chinese and Western conceptions of relationships in construction project management work 397
Chen, Y-T see Lin, C-T
Chen, K-L see Chang, P-L
Cheung, Sai-On see Bayliss, Roger
Cheung, S-O see Wong, Shek-Pui P
Chu, How-Wei see Tseng, Tzu-Liang (Bill)
Crawford, L and Pollack, J Hard and soft projects: a framework for analysis 645
Dai, C X and Wells, W G An exploration of project management office features and their relationship to project performance 523
Dainty, A R J see Raiden, A B
Danson, J see Lycett, M
de Almeida, Luis Tadeu see de Lemos, Teresa
de Lemos, Teresa, Eaton, David, Betts, Martin and de Almeida, Luis Tadeu Risk management in the Lusoponte concession—a case study of the two bridges in Lisbon, Portugal 63
Delisle, C L and Olson, D Would the real project management language please stand up? 327
Den Hartog, D N see Keegan, A E
Diallo, Amadou and Thuillier, Denis The success dimensions of international development projects: the perceptions of African project coordinators 19
Dogan S Z see Günaydın, H M
Duran, A see Rivera, F A
Eaton, David see de Lemos, Teresa
Fang, D P, Xie, F, Huang, X Y and Li, H Factor analysis-based studies on construction workplace safety management in China 43
Gale, Andrew and Luo, Jun Factors affecting construction joint ventures in China 33
Garel, G see Mahmoud-Jouini, S B
Garrety, K, Robertson, P L and Badham, R Integrating communities of practice in technology development projects 351
Gauvreau, Clothilde see Belout, Adnane
Ghosh, P P and Varghese, J C Globally distributed product development using a new project management framework 669
Ghosh, S and Jintanapakanont, J Identifying and assessing the critical risk factors in an underground rail project in Thailand: a factor analysis approach 633
Günaydın, H M, Dogan, S Z A neural network approach for early cost estimation of structural systems of buildings 595
Grønhaug, K see Kolltveit, B J
Gung, Roger R see Tseng, Tzu-Liang (Bill)
Hartman, F and Ashrafi, R Development of the SMART™ Project Planning framework 499
Henderson, L S Encoding and decoding communication competencies in project management—an exploratory study 469
Hovmark, S see Nordqvist, S
Hsieh, T-y, Lu, S-t and Wu, C-h Statistical analysis of causes for change orders in metropolitan public works 679
Hsieh, T-Y, Lu, S-T and Tzeng, G-H Fuzzy MCDM approach for planning and design tenders selection in public office buildings 573
Huang, X Y see Fang, D P
Huang, Chun-Che see Tseng, Tzu-Liang (Bill)
Hughes, E J see Busby, J S
Huin, S F Managing deployment of ERP systems in SMEs using multi-agents 511
Hunt, Andrew see Veil, Cornelia
Jintanapakanont, J see Ghosh, S
Jørgensen, M and Sjøberg, D I K The impact of customer expectation on software development effort estimates 317
Jugdev, K Implementing virtual teams: guide to organizational and human factors 685
Kadefors, Anna Trust in project relationships—inside the black box 175
Kavanagh, Donncha see Veil, Cornelia
Keegan, A E and Den Hartog, D N Transformational leadership in a project-based environment: a comparative study of the leadership styles of project managers and line managers 609
Kiiras, Juhani see Alsakini, Wafa
Kolltveit, B J and Grønhaug, K The importance of the early phase: the case of construction and building projects 545
Lai, K K, Liu, S L and Wang, S Y A method used for evaluating bids in the chinese construction industry 193
Lam, K C see Long, N D
Lam, Ka Chi see Ng, Thomas S
Li, Heng see Liu, Guiwen
Li, H see Fang, D P
Lin, C-T and Chen, Y-T Bid/no-bid decision-making – a fuzzy linguistic approach 585
Ling, F Y Y How project managers can better control the performance of design-build projects 477
Liu, S L see Lai, K K
Liu, Guiwen, Shen, Qiping, Li, Heng and Shen, Liyin Factors constraining the development of professional project management in China's construction industry 203
Loch, Christoph H see von Branconi, Christof
Long, N D, Ogunlana, S, Quang, T and Lam, K C Large construction projects in developing countries: a case study from Vietnam 553

Title

A comprehensive framework for selecting an ERP system **Chun-Chin Wei, Mao-Jiun J and Wang** 161
A method used for evaluating bids in the Chinese construction industry **K K Lai, S L Liu and S Y Wang** 193
A neural network approach for early cost estimation of structural systems of buildings **H M Gunaydın and S Z Doğan** 595
A new LSM approach for planning repetitive housing projects **I M Mahdi** 339
An empirical study of PM professionals' commitment to their profession and employing organizations **X Wang and A Armstrong** 377
An exploration of project management office features and their relationship to project performance **C X Dai and W G Wells** 523
An interpretive comparison of Chinese and Western conceptions of relationships in construction project management work **P Chen and D Partington** 397
Benchmarking the management of projects: a review of current thinking **E Barber** 301
Bid/no-bid decision-making – a fuzzy linguistic approach **C-T Lin and Y-T Chen** 585
Breaking the spell of the uninvited godmother: facilitating project implementation through Electronic Meeting Support **Cornelia Veil, Shirley Saunders, Andrew Hunt, Mark Van Onna and Donncha Kavanagh** 235
Building theories of project management: past research, questions for the future **Jonas Söderlund** 183
Contract Negotiation Handbook 3rd ed **John F Woodward** 171
Contracting for major projects: eight business levers for top management **Christof von Branconi and Christoph H Loch** 119
Contracting for project management **J F Woodward** 687
Coping with multicultural projects: the leadership styles of Finnish project managers **M Mäkilouko** 387
Critical clouds and critical sets in resource-constrained projects **F A Rivera and A Duran** 489
Current barriers and possible solutions to effective project team formation and deployment within a large construction organisation **A B Raiden, A R J Dainty and R H Neale** 309
Demotivating factors influencing the productivity of civil engineering projects **S Thomas Ng, R Martin Skitmore, Ka Chi Lam and Anthony W C Poon** 139
Development of the SMART™ Project Planning framework **F Hartman and R Ashrafi** 499
Editorial **J Rodney Turner** 271, 349, 435, 521, 607
Effective partnering tools in construction: a case study on MTRC TKE contract 604 in Hong Kong **Roger Bayliss, Sai-On Cheung, Henry C H Suen and Shek-Pui Wong** 253
Encoding and decoding communication competencies in project management—an exploratory study **L S Henderson** 469
Factor analysis-based studies on construction workplace safety management in China **D P Fang, F Xie, X Y Huang and H Li** 43
Factors affecting construction joint ventures in China **Andrew Gale and Jun Luo** 33
Factors constraining the development of professional project management in China's construction industry **Guiwen Liu, Qiping Shen, Heng Li and Liyin Shen** 203
Factors influencing project success: the impact of human resource management **Adnane Belout and Clothilda Gauvreau** 1
"For DAD": a programme management life-cycle process **Michel Thiry** 245
Fuzzy MCDM approach for planning and design tenders selection in public office buildings **T-Y Hsieh, S-T Lu and G-H Tzeng** 573
Globally distributed product development using a new project management framework **P P Ghosh and J C Varghese** 669

Green construction assessment for environmental management in the construction industry of Hong Kong **C M Tam, V W Y Tam and W S Tsui** 563
Handbook of Project Management **John F Woodward** 265
Hard and soft projects: a framework for analysis **L Crawford and J Pollack** 645
How can the benefits of PM training programs be improved? **Michel Thiry** 13
How project managers can better control the performance of design-build projects **F Y Y Ling** 477
Identifying and assessing the critical risk factors in an underground rail project in Thailand: a factor analysis approach **S Ghosh and J Jintanapakanont** 633
Identifying the hard lessons from projects – easily **T Williams** 273
Implementing virtual teams: guide to organizational and human factors **K Jugdev** 685
Improving project collaboration: start with the conflicts **T I Vaaland** 447
Innovation management: a synthesis of academic and industrial points of view **F Tomala and O Sénéchal** 281
Integrating communities of practice in technology development projects **K Garrety, P L Robertson and R Badham** 351
IPMA 18th World Congress – Budapest, 19 to 20 June 2004 **J R Turner** 607
Large construction projects in developing countries: a case study from Vietnam **N D Long, S Ogunlana, T Quang and K C Lam** 553
Linkages of project environment to performance: lessons for team leadership **H J Thamhain** 533
Managing a public sector project: the case of the Italian Treasury Ministry **Michela Arnaboldi, Giovanni Azzone and Alberto Savoldelli** 213
Managing deployment of ERP systems in SMEs using multi-agents **S F Huin** 511
MPCS: Multidimensional Project Control System **Shai Rozenes, Gad Vitner and Stuart Spraggett** 109
Novel approach to multi-functional project team formation **Tzu-Liang (Bill) Tseng, Chun-Che Huang, How-Wei Chu and Roger R Gung** 147
On the broadening scope of the research on projects: a review and a model for analysis **J Söderlund** 655
Organising and leading M&A projects **R Meckl** 455
Perceived time pressure and social processes in project teams **S Nordqvist, S Hovmark and A Zika-Viktorsson** 463
Perception of human risk factors in construction projects: an exploratory study **Vicknayson Thevendran and M J Mawdesley** 131
Practical Project Management—Tips, Tactics and Tools **John F Woodward** 173
Proactive schedule management of industrial turnkey projects in developing countries **Wafa Alsakini, Kim Wikström and Juhani Kiiras** 75
Programme management: a critical review **M Lycett, A Rassau and J Danson** 289
Project risk management in the Queensland engineering construction industry: a survey **Terry Lyons and Martin Skitmore** 51
Projects, pathogens and incubation periods **J S Busby and E J Hughes** 425
Responding to competing narratives: lessons for project managers **David Boddy and Robert Paton** 225
Risk management in the Lusoponte concession—a case study of the two bridges in Lisbon, Portugal **Teresa de Lemos, David Eaton, Martin Betts and Luis Tadeu de Almeida** 63
Statistical analysis of causes for change orders in metropolitan public works **T-y Hsieh, S-t Lu and C-h Wu** 679
Supporting project cost threshold decisions via a mathematical cost model **Wei-Chih Wang** 99
The Huaibei power plant and its implications for the Chinese BOT market **N Smith, H Zhang and Y Zhu** 407
The impact of customer expectation on software development effort estimates **M Jørgensen and D I K Sjøberg** 317
The importance of the early phase: the case of construction and building projects **B J Kolltveit and K Grønhaug** 545
The influence of input factors on new leading product development projects in Taiwan **P-L Chang and K-L Chen** 415
The success dimensions of international development projects: the perceptions of African project coordinators **Amadou Diallo and Denis Thuillier** 19
The use of the balanced scorecard for the evaluation of Information and Communication Technology projects **Koen Mills and Roger Mercken** 87
Time-to-market vs time-to-delivery Managing speed in Engineering, Procurement and Construction projects **S B Mahmoud-Jouini, C Midler and G Garel** 359
Towards the sixth generation of R&D management **D Nobelius** 369
Transformational leadership in a project-based environment: a comparative study of the leadership styles of project managers and line managers **A E Keegan and D N Den Hartog** 609
Trust in construction partnering: views from parties of the partnering dance **P Shek-Pui Wong and S-O Cheung** 437
Trust in project relationships—inside the black box **Anna Kadefors** 175
Why risk efficiency is a key aspect of best practice projects **C Chapman and S Ward** 619
Would the real project management language please stand up? **C L Delisle and D Olson** 327

Book reviews

Applied Project Management: Best Practices on Implementation **Dennis Lock** (Harold Kertzner) 347
Building a Project-Driven Enterprise: How to Slash Waste and Boost Profits Through Lean Project Management **Eric Gabriel** (Ronald Mascitelli) 268
Building Customer-based Project Organizations **Michel Thiry** (Jeffrey K Pinto and Pekka J Rouhiainen) 604
Contracting for project management **John F Woodward** (J. Rodney Turner) 686
Contract Negotiation Handbook **Garth G F Ward** (Peter Marsh) 171
Handbook of Project Management **John F Woodward** (Rodney Turner and Stephen J Simister) 265
Implementing virtual teams: guide to organizational and human factors **Kam Jugdev** (Edwards A and Wilson J R) 687
Managing Project Risk and Uncertainty **Steve Simister** (Chris Chapman and Stephen Ward) 269
Megaprojects and risk: an anatomy of ambition **John F Woodward** 520
Modelling Complex Projects **David Baccarini** (Terry Williams) 519
Practical Project Management—Tips, Tactics and Tools **John F. Woodward** (Harvey A Levine) 172
